RüKTECH ATV Coatings

RüKTECH has race-proven coatings for your Power sports vehicle or ATV to keep it running at peak performance. With today's turbo boosted ATV's and Racing Banshee's, high temperature ceramic coatings are paramount to winning. Call today and see how our coatings will make your Power Sports or ATV the best on the dirt, trail or track.

Benefits of RüKTECH Polished or Colored Coatings:

- Increased Component Life, Protection from dirt, sand, and rocks.
- Superior corrosion protection from mud and rust
- Performance Gains over non-coated parts
- Polished, Black and Gray colors
- Excellent Impact Resistance Reduced Operating Temps
- Will work on New and Used Components
- Will not turn Blue, Oxidize, or Stain Like Chrome or Paint
- Heat that is retained in the pipe provides faster turbo spool and quicker starts. Outside pipe temp is reduced.
- Peace of mind that your ATV is running at its very best
